SUBJECT: Election of the Non-official President in Kolar Town Municipality

Sir,

With reference to your letter No 11914/Ml 40-47-105 dated 18th December 1947 intimating that the Kolar Town Municipal Council is given the privilege of electing a non-Official President from among its members subject to the condition that the Council employs a Chief Officer, I have the honour to state that the President Municipal Council Kolar reports in his letter No 115/4 -46, dated 22nd January 48 that the Council at its meeting held on 20-1-1948, resolved that it is not in favour of employing a Chief Officer in as much as it involves heavy financial commitments of pay of salary of the Chief Officer, etc, which the slender - resources of the Municipality cannot afford copy of the resolution of the Municipal Council is herein enclosed for reference

I am however strongly of opinion that the services of a Chief Officer are obsolutely necessary for the efficient management of the municipal administration and am not in favour of relaxing the condition laid down by Government The members of Municipal Council waited this question also when they had the met the Minister for Y&S to place before him their needs of the Town on 20-1-48 and the Minister was pleased to state that it is not possible to depart from the prescribed rule I have asked the President to hold the

the election of the President with in the statutory period and to intim te the Council that their request not to a point a Chief Officer to this unicipality cannot be recom ended
